

Investing in Fairfield County's Economic Growth & Workforce Development

Who we are:

The Fairfield 33 Development Alliance connects government entities and local businesses to encourage investment and development in Fairfield County.

Helping the 33 Alliance achieve it's 10-year goals of:

7,500
new jobs

45%
increase in
average wages

\$500 M
in capital
investment

We achieve these goals through:

Advocacy – working with government and economic development partners to help business growth in the county

Business Retention and Attraction – promoting Fairfield County as a great place to operate a business

Workforce – connecting local students to local employers through the Career Readiness Program and the Fairfield County Workforce Center

The Fairfield 33 Alliance provides funding for Career Navigators in local school districts to help students discover local careers and develop essential skills. Over 1,000 students have earned the Career Readiness Endorsement. The Alliance also hosts summer camps to introduce students to careers in manufacturing, construction, and healthcare.

Invest with us today to:

- Contribute to the growth of Fairfield County
- Connect with local business, development, and government leaders
- Receive regular updates about development trends in Fairfield County
- Help local students find their career paths
- Receive recognition on Fairfield33.com and these signature events:
 - Annual Economic Update
 - Career Expo
 - Workforce Center Graduation
 - Career Signing Day
