Central Ohio's Road to Opportunity

The Fairfield 33 Development Alliance, in partnership with Fairfield County school's Business Advisory Council, is hosting the first ever Career Readiness Expo on April 4, 2019. The event will be held from 4 p.m. to 7:30 p.m. at Fairfield Career Center, 3985 Coonpath Rd NW, Carroll, OH 43112.

The event is open to all juniors and seniors in the county along with their parents. It will introduce local careers to these students, many of whom can start working immediately after high school. Food will be provided.

"Many employers in the county, and throughout Central Ohio, are having difficulty in finding employees with skill sets needed to fill our jobs," said Steve Wells, CEO of Fairfield National Bank and Chair of the 33 Development Alliance. "There are plenty of students who are ready and willing to start their career, and this Expo will connect them to employers that can offer them a good job and a great path forward."

More than 50 local employers will be at the event. Local hospitals, skilled trade businesses and organizations, manufacturers, banks, government entities, and other businesses will be represented. Students can bring resumes to apply for jobs, and information about career pathways will be available for individuals who wish to further their education.

Students or parents can sign up at Fairfield33.com. Please share this email with any high school students or parents that may be interested. For more information, email Rick Szabrak at Rick.Szabrak@FairfieldCountyOhio.gov.
